

# WSC e-Connect

## Hello!

**Welcome** to our second issue of **WSC e-Connect**! In this newsletter, you'll find updates on our work, upcoming events, inspiring stories, opportunities to serve with us, and more. Read on for our updates from May to August 2024!

### Read Our latest Annual Report 23/24

Our Annual Report 2023/2024 is out now!

In the past year, we continued to support and empower residents in the Woodlands community, including children to seniors and students to parents.

Thank you for being a part of our journey last year! We were able to make such an impact because of our kind-hearted supporters such as yourself and we look forward to doing more together with you this year.

## Evangel Student Care Centre Update

We'd like to thank Clare, our former ESCC Supervisor, for her many faithful years of service. And we welcome Spencer, our new ESCC Supervisor!

At ESCC, we're committed to fostering a happy and healthy environment for students under our care. ESCC serves

primary school students who require care during the after-school and holiday periods.

[About ESCC](#)

## Community Speak Podcast

We're letting our community speak through a brand new podcast, produced in collaboration with students from Republic Polytechnic.

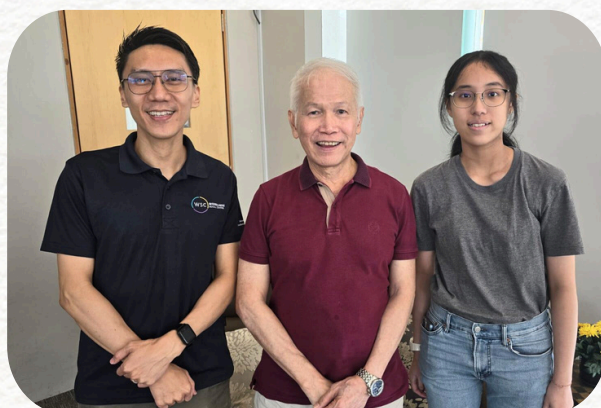

Listen in to our guests sharing about their hopes, dreams, fears, and everything in between.

Our first ep features teenage students, from Riverlife Community Services' youth programme. Hear what they have to say on the challenges of modern teenage life!

## Mr Cheong Mun Sang's Story

Did you know that WSC celebrates its **25th anniversary this year**? To commemorate this occasion, we're producing a series of videos about the history of WSC!

Our first video features Mr Cheong Mun Sang. He is the husband of Doreen Cheong, who founded WSC.

Watch our interview with Mr Cheong to get a glimpse into our history – Doreen's heart for the community, our earlier programmes and services, and how we made an impact back then.

## Valerie's Story

Meet Valerie, a volunteer tutor at WSC!

Curiosity drew Valerie to start volunteering in 2019, and she's been a volunteer tutor with our THRIVE programme since.

We asked Valerie what she enjoys about volunteering with WSC and what keeps her coming back each week!

Inspired to start your volunteering journey? Scroll all the way down for a link to our volunteer web page!

## Coming Soon

### Satellite Visit Centre Launch

We're gearing up for the launch of our Satellite Visit Centre service in September!

Run in partnership with Singapore Prison Service, this new initiative will make it easier for residents in the North to better connect with their incarcerated family members.

WSC 25TH ANNIVERSARY
